

Resource Sheet—2010-2011

The **Michigan Alliance for Gifted Education** is a statewide organization of parents, educators, and others interested in educational opportunities for gifted, talented, and creative students. The Alliance is dedicated to providing leadership, advocacy, and support of differentiated education and services for meeting the unique needs of gifted, talented, and creative students in Michigan.

Join the **Michigan Alliance for Gifted Education** in one of three ways: *Individual* Membership, open to any individual interested in furthering the goals of the Alliance; *Affiliate* Membership, open to any member of a registered Alliance-affiliated local, district, or county-wide nonprofit group that advocates for gifted education; or *Institutional* Membership, open to any organization or institution interested in furthering the goals of the Alliance. Membership contributions are tax deductible. Benefits of membership include:

- Information-packed workshops and G/T programming at a reduced fee
- Annual subscription to both the print and electronic Alliance newsletters that are full of news and information on gifted education
- Gifted Contacts Network for coordinators and teachers of gifted programs, including on-line forum
- Support of local affiliate groups
- A mini-grant and scholarship program for students and teachers to expand their personal horizons and encourage development of gifted programs
- Contact with the legislature and state school board
- Networking with parents and educators across the state
- Access to a volunteer speaker program for community workshops

For further information, please feel free to contact the **Michigan Alliance for Gifted Education**.
