

Share The Gift Of Knowledge

Michigan Association for Gifted Children

Give Images and Membership gift subscriptions any time of year!

What a wonderful way to share information and gifted updates with those you want to keep informed—teachers, administrators, legislators, your child's school or local library. Individuals or Chapters can now give others "a gift subscription of membership to the Michigan Association for Gifted Children (MAGC)."

A gift subscription for membership is only \$25. If membership is given along with a local Chapter membership, then the Chapter will benefit, allowing the receiver full membership benefits. That would include our Images newsletter, discounts to conferences, participation in membership fan outs, website resources and 'member only' links online.

Please fill out the MAGC Membership Form below with the gift recipient's address, phone and email, so we know where to send newsletters and information. Please include your name and address so when the subscription or membership expires, **you** can be notified with the option of renewal. We will email you a "Gift Certificate" for your purchase.

Learn more about MAGC at http://www.migiftedchild.org, a 501(c)3 tax exempt organization Tear off and mail to MAGC. Questions: (616) 365-8230 Mail to: Michigan Association for Gifted Children, P.O.
