

## Nicholas Green Distinguished Student Awards Program

The Michigan Alliance for Gifted Education, in cooperation with the National Association for Gifted Children (NAGC), is pleased to announce the NAGC - Nicholas Green Distinguished Student Awards Program for the upcoming school year.

The Nicholas Green Foundation was established by Maggie and Reg Green to honor the memory of their seven-year-old son Nicholas who was killed in a drive-by shooting while visiting Italy in 1994. The Greens started the Distinguished Student Awards because they wanted to recognize young people who are working hard to make the most of their lives and develop their unique gifts and talents, and who are now about the age that Nicholas was when he died.

The Michigan Alliance for Gifted Education and NAGC are honored to be part of the Greens' generous spirit. We look forward to seeing that Nicholas' legacy benefits young children who demonstrate excellence—from visual or performing arts to academic achievement to leadership. We believe that this awards program will inspire children to achieve to their fullest potential, highlight high-ability students and draw attention to the educational needs of our nation's gifted and talented students.
