

Membership benefits:

- Images*, the MAGC newsletter
- Access to GT forums and discussions
- Member discounts for conferences, workshops, and events
- Committed, knowledgeable, and accessible board members
- Up-to-date information on legislation and actions affecting gifted students
- Family field trips and events
- Discounted membership to the National Association for Gifted Children (NAGC)

How does your membership make a difference?

- Every membership is vital to our ability to provide:
- Conferences and workshops for parents and educators
 - Heightened awareness of the needs of gifted students
 - Mini-grants and scholarships for member-sponsored students
 - Grants for adult gifted-related projects
 - Access to a speakers' list for member affiliates and schools
 - Advocacy guidance for legislative and administration contacts
